Talent

Registration Deadline
November 3, 2023

EMERGING LEADERS INSTITUTE

OVERVIEW

ACEC/MW is proud to offer this successful second class of our Emerging Leaders Institute. Plan to send young (5 to 15 year) professionals from your firm to participate in the monthly sessions and gain valuable knowledge. The program will teach skills required to become engineering industry leaders.

Universities provide engineers the tools to solve problems, this institute provides engineers the tools to lead teams of problem solvers.

- James Hoffman, PE
Leed AP O+M, CEM
ACEC/MW Past Board Chair
